## SMFA PRESIDENT'S MESSAGE

Welcome!

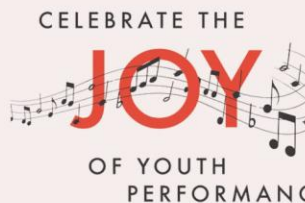

As hundreds of people from all around the province plan for 2025 music festivals, I hope for these things:

- For District Festival volunteers, the satisfaction of working to provide opportunities for performers to create community and share their artistry.
- For teachers, the strengthening of relationships with amazing young people through shared passion and dedication.
- For students, the growth of skills, the ability to express ideas and feelings, and the joy of making connections with like-minded people.
- For SMFA board members and staff, full appreciation of our role in making Saskatchewan Music Festivals inclusive and inspiring places.

I am proud to be part of such a strong and vibrant organization. Sincere thanks are due to everyone involved. Performers, know that adjudicators are excited to hear you, and audiences are waiting to cheer for you!

The words of SMFA's mentor, Mossie Hancock, remain relevant and still inspire me: "Music for One, Music for All". Let's celebrate!

*Dianne Gryba, SMFA President*

## *Piano Adjudicator - Lynette Sawatsky*

Lynette Sawatsky began her musical training at the age of four and completed her performer's A.R.C.T. in piano while in high school. She holds a Bachelor of Education (elementary) from the University of Saskatchewan. Lynette has taught both group and private lessons, worked as a music specialist in the public school system, and participated as a guest workshop clinician and piano adjudicator across Canada. Lynette currently directs a group of enthusiastic youngsters from core neighbourhoods during a weekly lunch hour choir program in her community. She believes that music is a gift that brings joy and enriches lives. Lynette's piano compositions are being played and enjoyed by students of all ages. Several of her pieces have been recently selected by Conservatory Canada for their new Mosaics repertoire series. Lynette's music has been described as "imaginative", "charming", "lyrical", and "pedagogically sound." One of her greatest

pleasures as a composer is to connect with teachers and students who are playing her compositions. Lynette has an active piano studio in Saskatoon. She and her husband Joel have four adult children and three granddaughters. In her leisure time, Lynette enjoys spending time with family, drinking coffee with friends, and going for long walks along the beautiful South Saskatchewan River

## Vocal & Musical Theatre Adjudicator

Betty Allison

Teaching artist and soprano, Dr. Betty Allison is a professor of voice at the University of Saskatchewan. A graduate of the Canadian Opera Company Ensemble, major credits include the world premiere of Mary's Wedding with Pacific Opera Victoria, the title role in Floyd's Susannah with Florentine Opera, Alice in Verdi's Falstaff with L'Opéra Théâtre de Metz Métropole, and Rosalinde in Die Fledermaus with

Edmonton Opera. Betty has performed a varied repertoire, demonstrating her natural ability and talent, from the Countess (Le Nozzedi Figaro) and Tatiana (Eugene Onegin), to Vixen (Cunning Little Vixen) and Elizabeth I (Gloriana). She is equally comfortable on the concert stage, with her rich and florid interpretation of pieces such as Mahler's Symphony VIII, Brahms' Requiem, and Gubaidulia's Galgenlieder À 3. Recently, Betty completed her doctorate at the University of Toronto. Her research focused on the connection between a singer's voice and their overall wellness and resilience. Specifically, she examined the non-musical stressors and coping strategies that elite singers use to maintain their voices and careers
